

Sponsorship Form

Penguin Empire, established in 2007, is Marin County's only FIRST team in the FIRST Robotics Competition, the "varsity level" of robotics events. The high school team, with the support of both the community and its mentors, has distinguished itself in regional competitions throughout the years, winning the Innovation in Control Award at the Sacramento Regional and placing second in the 2018 Cal Games. Each year, the student team designs, engineers, and builds robots to compete in the global FIRST tournaments. Penguin Empire is based at San Marin High School, in Novato. Below is the list of our sponsorship levels:

[Emperor Penguins: \\$5,000](#)

Recognitions include all those at the King Level and top billing on the robot*.

[King Penguins: \\$1,000](#)

Recognitions include all those at the Crested Level and your company's logo on the robot as well as a presentation at your place of business with our robots.*

[Crested Penguins: \\$500](#)

Recognitions include all those at the Rockhopper Level and your company's logo on our team's tee-shirt*.

[Rockhopper Penguins: \\$100](#)

Recognitions include your company or name on our website donor listing.
