

Donation Form

The San Marin Robotics Club is 100% volunteer driven. We receive NO school funding from any sources to cover our expenses. Our expenses are paid using funds from generous donations made by families of participating students and from our team fundraisers and sponsors. A recommended participation family donation of \$200 is needed to help our team succeed. Due to financial hardship, if you cannot make the requested tax deductible donation then YOUR regular direct adult participation is required; Contributions of time and/or money are immensely helpful, and greatly appreciated.

Below is a list of expenses that are paid for using donations and fundraising monies:

- \$7,500 - FIRST Robot and Competition Entry Fee
- \$4,000 – for 2nd competition
- \$1,500 - New laptops
- \$2,550 – Supplies: control station; tools; etc.
- \$2,500 – New, additional robotics kits
- \$3,000 – Practice Robot
- \$1,000 – Inter-team competition
- \$2,000 – Travel & Lodging
- \$1,200 – Meals during build season and competition(s)
- \$750 – Shirts & Pins
- **\$26,000 TOTAL** (does not include Nationals)

Minimum suggested donation of \$200 each, or active adult participation; ANY amount will help.

Yes, I would like to help by making a tax deductible donation of \$_____

Parent Name: _____ Student Name: _____

Mailing Address: _____

Telephone: _____ Email: _____
